- (c) investigation of employee complaints of an urgent nature;

The shop steward or Union committee member agrees to notify his/her supervisor on resuming his/her normal duties.

### **7.02 Grievance Procedure**

For the purposes of this Agreement, a grievance is defined as:

- (a) a difference arising between the parties relating to the interpretation, application, administration, or alleged violation of the Agreement including any question as to whether a

matter is arbitrable.

- (b) The dismissal, discipline or suspension of an employee bound by this agreement. Disciplinary action grievable by the employee shall include written censures, letters of reprimand, and adverse reports or performance evaluation.

If an employee has a grievance, his/her grievance shall be settled as follows:

**STEP ONE:**

The employee, with or without a Shop Steward or Union Committee member (at the employee's option), shall first discuss the grievance with his/her immediate supervisor or department head within seven (7) calendar days of the occurrence of the grievance. The supervisor will respond within three working days of discussing the grievance with the employee. If the grievance is not settled at this step:

**STEP TWO:**

Then within seven (7) calendar days of the Step One meeting, the grievance shall be reduced to writing, signed by the employee and a Shop Steward or Union Committee member and shall be presented to the immediate supervisor or the department head by a Shop Steward or a Union Committee member. The parties will meet to discuss the grievance. Within seven (7) calendar days following the meeting, the supervisor or the department head shall give his/her written reply. If the grievance is not settled at this step,

**STEP THREE:**

Then within ten (10) calendar days of receiving the Step Two response, the Union Committee or its delegate, shall notify the Company in writing that the grievance will proceed to Step Three. The Company and Union will meet within twenty-one (21) calendar days of referral of the grievance to Step Three to discuss the grievance. At this step of the grievance procedure, each party shall provide to the other a statement of facts and copies of all relevant documents. The findings or decisions of the Employer

shall be presented to the Union in writing within seven (7) calendar days of the meeting. If the grievance is not settled at this step, either party may refer the grievance to arbitration under Article 7 or Article 8 within twenty-one (21) calendar days of the presentation of this decision.

The Employer agrees that their representatives at the Step 3 meeting have the authority to resolve the grievance.

### **7.03 Time limits**

If the Union does not present a grievance within the prescribed time limits, the grievance will be deemed to have been abandoned. However, the Union shall not be deemed to have prejudiced its position on any future grievance. Time limits may be altered by mutual consent of the parties; however, the consent must be in writing.

### **7.04 Technical Objections to Grievances**

The parties agree that a grievance should not be defeated because of a technical error other than time limitations in processing the grievance through the grievance procedure. To this end, the arbitration board has the power to allow all amendments that are consistent with the grievance and has the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute.

### **7.05 Industry Troubleshooter**

**STATUTORY PAY CALCULATION EXAMPLES**

**Article 25.01 (b) and (c) – Statutory Holiday Not Worked**

**Notes:**

A regular full time day is 7.5 hours. All statutory holidays are also 7.5 hours.

Average hours for 30 calendar days = hours/week X 52 weeks ÷ 12 months (e.g. Full time at 7.5 hrs/day = 37.5 hrs/week X 52 ÷ 12 = 162.5 hrs)

All examples are based on \$15.60 per hour. See Appendix A Rates of Pay to confirm your regular rate.

Overtime hours are calculated at the premium rate they were earned at (i.e. 1½ or 2 X regular rate).

Standard calculation is:

(Total Paid Hours in 30 Days Prior) X 7.5 hours = Total Hours to be Paid
