

Bargaining Update

COMMUNITY SOCIAL SERVICES

JUNE 28, 2023

OH&S resources available for Community Social Services members

HEU members covered by the Community Social Services Bargaining Association have access to resources, including educational webinars, through the Community Social Services Health and Safety Association of BC.

Their mandate is to “promote positive, proactive relations between unions, WorkSafeBC, and the sector” in order to “foster healthy workplaces; improve injury prevention efforts; minimize the impact of illness and injury in the workplace, [and] reduce the associated costs.”
