Free webinar on mental health in the workplace for CSS members

The Canadian Mental Health Association BC is offering a free webinar – *There's More to You than You Can See* – dealing with the stigma of mental health in the workplace.

Presented by BC's Hub For Workplace Mental Health, the webinar will be held on Thursday, February 22 from 12 noon to 2:00 p.m. and is geared toward health care workers in the community social services sector.
