#### ARTICLE 2 - RECOGNITIONOF THE UNION

### 2.01 Sole Bargaining Agency

The Employer recognizes the Union as the sole bargaining agency on behalf of the employees for whom the Union has been certified as bargaining agent with respect to wages, hours of work, terms and conditions of employment during the life of this Agreement.

### 2.02 Union Shop

All employees who are covered by the Union's Certificate of Bargaining Authority shall maintain membership in the Union as a condition of employment. Employees who are brought within the jurisdiction of the Union's Certificate of Bargaining Authority, including newly hired employees, shall become members of the Union.

Upon receipt by the Employer of written advice from the Union, employees who fail to maintain membership in the Union or the check-off of Union Dues, or an amount equal to Union Dues, shall be terminated by the Employer from their employment.

Where the Employer has knowledge of an employee failing to maintain Union membership, or the check-off of Union Dues, the

Employer shall so advise the Union and, in turn, the Union shall advise the employee in writing. When the Employer is advised by the Union of non-compliance of either of the above, the Employer shall terminate the services of the employee within thirty (30) days of written advice as noted above.

In the event an employee is terminated pursuant to this section, the following contract provisions shall not be applicable to the employee:

- Article 8.04 Grievance Procedure
- Article 8.05 Dismissal/Suspension for Alleged Cause
- Article 20.01 Employer's Notice of Termination

#### 2.03 Union Check-Off

Effective date of ratification, the Employer agrees to the monthly check-off of all Union Dues, Assessments, Initiation Fees, and written assignments of amounts equal to Union Dues.

Such deductions shall be remitted to the Union within a period not to exceed twenty-one (21) days after the date of deduction and, as a condition of employment, employees shall sign a wage assignment covering such deductions.

The Employer shall provide the Union's Provincial Office with a list of all employees hired, and all employees who have left the employ of the Employer (who shall be designated as terminated and shall include discharges, resignations, retirements and deaths) in the previous month along with a list of all employees in the bargaining unit and their employee status and the amount of dues or equivalent monies currently being deducted for each employee.

This list shall be provided in an electronic format, such as Microsoft Excel, to memberupdates@heu.org.

The Employer shall supply to each employee a T4 without charge,

which records the amount of all deductions paid to the Union by the employees during a taxation year. The T4 shall be mailed or delivered to employees prior to March 1<sup>st</sup> of the year following each taxation year.

The Employer agrees to sign into the Union all new employees whose jobs are covered by the Certificate of Bargaining Authority in accordance with the provisions of Article 2.02.

Implementation shall be six (6) months following the signing of the Collective Agreement.

This list shall be provided in an electronic format, such as Microsoft Excel, to memberupdates@heu.org.

#### 2.04 Induction

The Employer shall provide the opportunity for a H.E.U. - designated representative to talk with any new employees hired at some point during the first thirty (30) days of the individuals' employment. Such meeting may involve more than one (1) new hire.

It is anticipated this opportunity will be provided during the new employee orientation session. During that orientation, the designated H.E.U. representative will be provided with a reasonable amount of time to familiarize the new hires with the Union.

The meeting, whether at orientation or otherwise, will be arranged during regular working hours for both the new employees and the designated H.E.U. representative. There shall be no deduction of wages or fringe benefits because of time spent by the Union designated representative or newly hired employees during those sessions.

The Employer agrees to the operation of a Shop Steward system which shall be governed by the following:

- (a) Shop Stewards may be appointed by the Union on the basis of one (1) Shop Steward for every fifty (50) employees covered by this Agreement, or major portion thereof, with a minimum number of two (2) Shop Stewards to a maximum number of twenty-five (25) Shop Stewards.
- (b) The Employer is to be kept advised of all Shop Steward appointments. The Union will provide a list of all Shop Stewards to the Employer once per year on a date roughly coinciding with the Union's annual appointment process. The Union will advise the Employer of any changes to the list as they may arise in the ensuing calendar year.
- (c) One (1) Shop Steward, or Union Committee member, shall be appointed by the Union as Chief Shop Steward who may present or assist in the presentation of any grievance.
- (d) When the absence of more than one (1) Shop Steward or Union Committee member shall interfere with the proper operation of a department, then no more than one (1) Shop Steward or Union Committee member from any one department shall be given leave of absence to transact Union business at any one time.
- (e) When a Shop Steward or Union Committee member is the only employee on duty in a department and where their absence would unduly interfere with the proper operation of the department, then such Shop Steward or Union Committee member may be refused leave of absence to transact Union business.
- (f) When a Shop Steward of Union Committee member is required/requested by the Employer to attend Committee/Grievance meetings outside of their regular working hours they will receive straight-time wages.

### 2.06 Attendance of Union Representatives at the Lodge

Union representatives will contact the Administrator at least 48

hours in advance to advise of and make arrangements to attend at the Lodge for Union business. Where the Union Representative needs to attend on shorter notice to deal with a pressing situation, arrangements will still be made through the Administrator at least three (3) hours in advance, if at all possible. The parties will work cooperatively to schedule such visits in a manner that minimizes any disruption.

#### **ARTICLE 3 - DEFINITIONS**

(a) To establish standards, policies, and procedures not inconsistent with the provisions of this Agreement. A copy shall be supplied to the Union committee in advance of the new policy or amendment becoming effective. ### 6.03 Boycotts and Hot Edicts

The honoring of any boycott sanctioned by the Canadian Labour Congress and/or the B.C. Federation of Labour or the refusal on the part of an employee to handle any goods declared by those bodies to be "hot" shall not constitute cause for discipline.

#### **ARTICLE 7 - UNION/MANAGEMENT COMMITTEE**

#### 7.01 Committee on Labour Relations

The Employer shall appoint and maintain a Committee to be called the "Committee on Labour Relations", one member of which shall be designated as Chairperson. The Employer at all times shall

The Union at all times shall keep the Employer informed of the individual membership of the Committee.

### 7.03 Union/Management Meetings

The Union Committee and the Secretary-Business Manager of the Union, or their representative, shall, meet with the Committee on Labour Relations once each month, or as otherwise mutually agreed between the Employer and the Union, for the purpose of discussing and negotiating a speedy settlement of any grievance or dispute arising between the Employer and the employee concerned, including possible re-negotiations relative to this Agreement and the Schedules which are a part hereof. However, except for renegotiations of Agreements, these matters shall be introduced to such meetings only after the established grievance procedure has been followed.

Grievances of a general nature may be initiated by a member of the Union Committee in step two of the grievance procedure outlined in Article 8.04.

The time spent by members of the Union Committee in the course of their duties shall be considered as time worked and shall be paid in accordance with the provisions of the Collective Agreement. Members of the Committee attending meetings on their own time shall be compensated at straight time provisions of the Collective Agreement.

### 7.04 Committee Meetings

All meetings of the said Committee on Labour Relations with the

Union Committee and the Secretary-Business Manager, or <u>their</u> representative, shall be under the chairperson-ship of a member of the Committee on Labour Relations.

#### **ARTICLE 8 - GRIEVANCE PROCEDURE**

### 8.01 Union Representation

No Shop Steward, Union Committee member, or employee shall leave <u>their</u> work without advising <u>their</u> immediate supervisor. Employee-Shop Steward or Union Committee member discussions shall take place where patient care is not affected. Every reasonable effort will be made by the Employer to allow for these discussions to occur during work hours.

Shop Stewards or Union Committee members shall be permitted to represent an employee's interest without loss of pay when such meetings are scheduled during the Shop Steward's or Union Committee member's hours of work.

### 8.02 Grievance Investigations

Where an employee has asked or is obliged to be represented by the Union in relation to the presentation of a grievance and a Shop Steward or Union Committee member wishes to discuss the grievance with that employee, the employee and the Shop Steward or Union Committee member shall be given reasonable time off without loss of pay for this purpose when the discussion takes place at the Employer's place of business.

Shop Stewards or Union Committee members shall be permitted to represent an employee's interest without loss of pay when such meetings are scheduled during the Shop Steward's or Union Committee member's hours of work.

### 8.03 Right to Grieve Disciplinary Action

Disciplinary action grievable by the employee shall include written censures, letters of reprimand, and adverse reports or performance evaluation. An employee shall be given a copy of

any such document placed on the employee's file which might be the basis of disciplinary action. Should an employee dispute any such entry in their file, they shall be entitled to recourse through the grievance procedure and the eventual resolution thereof shall become part of their personnel record. Any such document other than official evaluation reports shall be removed from the employee's file after the expiration of eighteen (18) months from the date it was issued. The Employer agrees not to introduce as evidence in any hearing any document from the file of an employee, the existence of which the employee was not aware at the time of filing or within a reasonable period thereafter.

#### 8.04 Grievance Procedure

(a) For the purpose of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration, or alleged violation of the Agreement including any question as to whether a matter is arbitrable.

Grievances shall be processed in the following manner:

#### STEP ONE:

The employee, with or without a Shop Steward or Union Committee member (at the employee's option), shall first discuss the grievance with <u>their</u> immediate supervisor or department head within seven (7) calendar days of the occurrence of the grievance. If the grievance is not settled at this step, then within seven days of the supervisor or department heads response:

#### **STEP TWO:**

The grievance shall be reduced to writing, signed by the employee and a Shop Steward or Union Committee member and shall be presented to the immediate supervisor or the department head by a Shop Steward or a Union Committee member, who shall discuss the grievance. Within seven (7) calendar days of receipt of the written grievance, the supervisor or the department head shall give their written reply.

If the grievance is not settled at this step, then:

#### STEP THREE:

The Union Committee and the Committee on Labour Relations, or its delegate, shall meet within twenty-one (21) days or other mutually agreed to time to discuss the grievance. At this step of the grievance procedure, each party shall provide to the other a statement of facts and copies of all relevant documents. The findings or decisions of the Committee on Labour Relations shall be presented to the Union in writing within seven (7) calendar days of the meeting. If the grievance is not settled at this step, either party may refer the grievance to arbitration under Article 9 within thirty (30) days.

The Employer agrees that their representatives at the Step 3 meeting have the authority to resolve the grievance.

(b) If the time limits are not complied with, the grievance shall be considered as being abandoned, unless the parties have mutually agreed in writing to extend the time limits.

### 8.05 Dismissal/Suspension for Alleged Cause

Employees dismissed or suspended for alleged cause shall have the right within seven (7) calendar days after the date of dismissal or suspension to initiate a grievance at Step Three of the grievance procedure.

Employees shall not be dismissed or suspended except for just and reasonable cause. Where the Employer believes it has grounds under this clause, it may:

- (a) Place the employee on unpaid leave of absence pending final resolution of the grievance;
- (b) Place the employee on paid leave of absence pending final resolution of the grievance;
- (c) Require the employee to continue working at <u>their</u> regular job pending final resolution of the grievance; or

(d) By mutual agreement, transfer the employee to a different work area pending final resolution of the grievance.

It is understood that any decision made by the Employer under (d) above may not prejudice in any way the rights of other employees under the Collective Agreement.

### 8.06 Reinstatement of Employees

If, prior to the constitution of an Arbitration Board pursuant to Article 9, it is found that an employee was laid off, disciplined, or dismissed without just and reasonable cause, that employee shall be reinstated by the Employer without loss of pay with all of their rights, benefits and privileges which they would have enjoyed if the lay-off, discipline or discharge had not taken place.

### 8.07 Industry Troubleshooter

Where a difference arises between the parties relating to the dismissal, discipline, or suspension of an employee, or to the interpretation, application, operation, or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, during the term of the Collective Agreement:

- Elaine Doyle
- Christopher Sullivan
- Koml Kandola
- Amanda Rogers
- Mark Brown
- or a substitute agreed to by the parties, shall at the request of either party:
- a) Investigate the difference;
- b) Define the issue in the difference; and
- c) Make written recommendations to resolve the difference within five (5) days of the date of receipt of the request, and for those five (5) days from that date, time does not run in respect of the grievance procedure.

In the event the parties are unable to agree on an Industry Troubleshooter within a period of thirty (30) days, either party may apply to the Minister of Labour for the Province of British Columbia to appoint such person.

Failing settlement at this step, the grievance may be referred to arbitration.

#### 8.08 Expedited Arbitrations

- (a) A representative of the Employer and the Secretary-Business Manager of the Union, or <u>their</u> designate, shall meet each month, or as otherwise mutually agreed to, to review outstanding grievances to determine, by mutual agreement, those grievances suitable for expedited arbitration.
- (b) Expedited arbitration dates shall be mutually agreed to by the parties.
- (c) The location of the hearing is to be agreed to by the parties but will be at a location central to the geographic area in which the dispute arose.
- (d) As the process is intended to be non-legal, lawyers will not be used to represent either party.
- (e) All presentations are to be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations.
- (f) Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution to the grievance. If this occurs, the cost will be borne in accordance with Section 90 of the *Labour Code*.
- (g) Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated herein.
- (h) The decision of the arbitrator is to be completed on the agreed to form and mailed to the parties within three (3) working days of the hearing.
- (i) All decisions of the arbitrators are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either party in any subsequent proceeding.

- (j) All settlements of proposed expedited arbitration cases made prior to hearing shall be without prejudice.
- (k) The parties shall equally share the costs of the fees and expenses of the arbitrator.
- (I) The expedited arbitrators, who shall act as sole arbitrators, shall be:
  - Elaine Doyle
  - Christopher Sullivan
  - Koml Kandola
  - Amanda Rogers
  - Mark Brown
- (m)The expedited arbitrator shall have the same powers and authority as an arbitration board established under the provisions of Article 9 excepting Article 9.02.
- (n) It is understood that it is not the intention of either party to appeal a decision of an expedited arbitration proceeding.
- (o) Any suspension for alleged cause that is not dealt with under this Section shall be referred immediately to Section 8.05 for resolution.

### (a) Composition of Board

Should the parties fail to settle any difference, grievance, or dispute whatsoever, arising between the Employer and the Union, or the employees concerned, such difference, grievance or dispute including any question as to whether any matter is arbitrable shall, at the instance of either party be referred to arbitration within thirty (30) days of the Step Three decision.

The Board will be chaired by the arbitrator next up in the rotation above, unless the parties agree otherwise. Each party will appoint their own nominee to the Board, and will be responsible for their own nominee's expenses.

The decision of the single arbitrators, or the majority of the arbitration board shall be final and binding upon the Employer, the Union, and the employees concerned.

### (b) **Dismissal/Suspension**

If the dismissal or suspension of an employee for alleged cause is not settled at Step Three of the grievance procedure, such grievance shall be referred to the arbitration, determination and award of an Arbitration Board of one (1) member.

The parties agree to make every effort to have the matter heard by an arbitrator within two (2) months of the referral to arbitration using one of the arbitrators named below:

Where the arbitrator who is in line to hear a dismissal/suspension case under this clause advises the Union the their next available hearing date is more than two

### 9.02 Authority of Arbitration Board

The Arbitration Board shall have the authority to provide a final and conclusive settlement of a dispute arising under this collective agreement. Such authority will be exercised consistent with the *Labour Relations Code* and the provisions of the collective agreement.

### 9.03 Time Limit for Decision of Arbitration Board

### 9.07 Reinstatement of Employees

If the Arbitration Board finds that an employee has been unjustly laid off, suspended or discharged, that employee shall be reinstated by the Employer and the Board may order that their reinstatement be without loss of pay, and with all their rights, benefits and privileges which they would have enjoyed if the layoff, suspension or discharge had not taken place.

Provided, however, if it is shown to the Board that the employee has been in receipt of wages during the period between lay-off, suspension or discharge and reinstatement, the amount so received shall be deducted from wages which may be payable by the Employer pursuant to this clause, less any expenses which the employee has incurred in order to earn the wages so deducted.

# ARTICLE 10 - DEFINITION OF EMPLOYEE STATUS 10.01 Regular Full-Time Employees

A regular full-time employee is one who works full-time on a regularly scheduled basis as defined in Article 22. Regular full-time employees accumulate seniority and are entitled to all benefits outlined in this Collective Agreement.

### 10.02 Regular Part-Time Employees

A regular part-time employee is one who works less than full-time on a regularly scheduled basis. Regular part-time employees accumulate seniority on an hourly basis and are entitled to all benefits outlined in this Collective Agreement, subject only to the "Addendum on Part-Time Employees".

### 10.03 Casual Employees

A casual employee is one who is not regularly scheduled to work other than during periods that such employee shall relieve a regular full-time or regular part-time employee, or as otherwise

defined in the Addendum – Casual Employees. Casual employees accumulate seniority on an hourly basis and are entitled to such benefits as are contained in the "Addendum on Casual Employees".

### 10.04 Restriction of Employee Status

The status of all employees covered by this Agreement shall be defined under one of the preceding three definitions. If a dispute arises over the proper allocation of employee status, such dispute shall be resolved through Article 8, Section 8.04 - Grievance Procedure. In the event that it is determined that an employee has been improperly classified such employee shall be reclassified effective immediately and the Employer shall restore such benefits as may be capable of being restored. In addition, such employee shall be paid the equivalent of the cost of any benefits that are not restored to which that employee would have been entitled if the employee had been properly classified.

#### **ARTICLE 11 - INCREMENTS**

#### 11.01

- (a) Regular full-time and regular part-time employees shall move to the increment step indicated by calendar length of service with the Employer.
- (b) All Employees affected by this Agreement shall automatically move to the pay rate bracket indicated in accordance with their service with the Employer.
- (c) Casual employees shall move to the increment step indicated by accumulated hours of service with the Employer.

### **ARTICLE 12 - PROBATIONARY PERIOD**

**12.01** For the first four-hundred and fifty (450) hours worked with the Employer, or five (5) months, whichever occurs first, an Employee shall be a probationary employee. Employee suitability for seniority-rated employment will be determined during probation. Employees may be transferred or dismissed by the employer if the employer finds the employee to be unsuitable,

providing the factors involved in suitability could reasonably be expected to affect work performance.

By written mutual agreement between the Employer and Union, the probationary period may be extended by one (1) calendar month. Provided written reasons are given for requesting such extension, agreement shall not be unreasonably withheld.

**12.02** Upon completion of the probationary period, the initial date of employment shall be the anniversary date of the employee for the purpose of determining perquisites and seniority.

12.03 When the Employer feels the employee is in need of a meeting, the Employer will meet with the probationary employee at least once during their probationary period to discuss and provide feedback about the employee's progress. The Employer will endeavour to hold such meeting near the midpoint of the probationary period. This will not preclude the Employer from meeting earlier with the probationary employee when determined necessary by the Employer.

# ARTICLE 13 - EVALUATION REPORTS, PERSONNEL FILES 13.01 Evaluation Reports

Where a formal evaluation of an employee's performance is carried out, the employee shall be provided with a copy to read and review. Provision shall be made on the evaluation form for an employee to sign it. The form shall provide for the employee's signature in two (2) places, one indicating that the employee has read and accepts the evaluation, and the other indicating that the employee disagrees with the evaluation. The employee shall sign in one of the places provided within seven (7) calendar days. No employee may initiate a grievance regarding the contents of an evaluation report unless the signature indicates disagreement with the evaluation. The employee shall receive a copy of the evaluation report at the time of signing. An evaluation report shall not be changed after an employee has signed it, without the knowledge of the employee, and any such changes shall be

subject to the grievance procedure.

#### 13.02 Personnel File

An employee, or the Secretary-Business Manager of the Union, (or <u>their</u> designated representative), with the written authority of the employee, shall be entitled to review and to receive upon request copies of any document in the employee's personnel file in the office in which the file is normally kept, in order to facilitate the investigation of a grievance or an employee may review <u>their</u> file for personal reference.

The employee or the Secretary-Business Manager of the Union, as the case may be, shall give the Employer seven (7) days' notice prior to examining the file.

The personnel file shall not be made public or shown to any other individual without the employee's written consent, except in the proper operation of the Employer's business and/or for the purposes of the proper application of this Agreement.

#### **ARTICLE 14 - SENIORITY**

### 14.01 Promotion, Transfer, Demotion, Release

In the promotion, transfer, demotion, or release of employees, efficiency, required qualifications (including initiative), and seniority shall be determining factors. Each of the three determining factors will be accorded equal weight.

### 14.02 Qualifying Period

If a regular employee is promoted, voluntarily demoted, or transferred to a job, the classification for which the Union is the certified bargaining authority, then the promoted, voluntarily demoted, or transferred employee shall be considered a qualifying employee in their new job for a period of three (3) months.

In no instance during the qualifying period shall such an employee lose seniority or perquisites. However, if a regular employee has

been promoted, voluntarily demoted or transferred and during the aforementioned three (3) month period is found unsatisfactory in the new position, then the promoted, voluntarily demoted or transferred employee shall be returned to their former job and increment step before the promotion, voluntary demotion or transfer took place, without loss of seniority, and any other employee hired, promoted, voluntarily demoted or transferred because of the rearrangement of jobs, shall be returned to their former job and pay rate without loss of seniority and accrued perquisites.

An employee who requests to be relieved of a promotion, voluntary demotion, or transfer during the qualifying period in the new job shall return to the employee's former job without loss of seniority or perquisites on the same basis as outlined in paragraph (2) of this Section.

### 14.03 Temporary Promotion or Transfer

An employee granted a temporary promotion, transfer or demotion shall return to <u>their</u> former job and pay rate without loss of seniority and accrued perquisites when the temporary promotion, transfer or demotion terminates.

#### 14.04 Promotions

A regular employee promoted to a job with a higher wage rate structure shall receive in the new job the increment rate that is immediately higher than <u>their</u> wage rate immediately prior to the promotion.

For increment progression, the employee's increment anniversary date shall then become the initial day in the new job. Employee pay rates shall become effective from the first day in the new job and further increment increases shall become effective on the established increment date.

However, should the promotion at any time result in a lesser rate of pay than the employee would have received if the promotion

had not occurred, then the employee shall retain the increment anniversary date of their prior job.

#### 14.05 Transfers

A regular employee transferred to a job with the same pay rate structure as <u>their</u> former job shall remain at the same increment step in the pay rate structure and shall retain <u>their</u> former increment anniversary date.

A regular employee transferred upon the employee's request to a job with the same pay rate structure as <u>their</u> former job, who has the experience in or possesses the ability to perform the duties of the new job, shall retain the pay rate and increment anniversary date of <u>their</u> prior job.

A regular employee transferred upon the employee's request to a job with the same pay rate structure as their former job who does not have prior experience or ability to qualify as above, shall remain at the increment step immediately preceding the step indicated by length of overall seniority for a period not to exceed three (3) months. Upon completion of this qualifying period, the employee shall revert to the increment anniversary date of their prior job.

#### 14.06 Demotions

An employee requesting a voluntary demotion from a higher to a lower-rated job, and who is subsequently demoted to the lower-rated job, shall go to the increment step of the lower-rated job commensurate with <u>their</u> overall seniority, provided <u>they have</u> experience in or possesses the ability to perform the duties of the lower-rated job without a training period. For the purpose of this section and in the event of involuntary demotion, an employee who does not have prior experience or ability to qualify as above, shall remain at the increment step immediately preceding the step indicated by length of overall seniority, for a period not to exceed three (3) months.

### 14.07 Re-employment After Retirement

Employees who have reached retirement age as prescribed under the *Pension (Municipal) Act* and continue in the Employer's service, or are re-engaged within three (3) calendar months of retirement, shall continue at their former increment step in the pay rate structure of the classification in which they are employed, and the employee's previous anniversary date shall be maintained. All perquisites earned up to the date of retirement shall be continued or reinstated.

### 14.08 Re-employment After Voluntary Termination or Dismissal for Cause

Where an employee voluntarily leaves the Employer's service, or is dismissed for cause and is later re-engaged, seniority and all perquisites shall date only from the time of re-employment, according to regulations applying to new employees.

### 14.09 Supervisory or Military Service

It is understood service with the Armed Forces of Canada in time of war or compulsory military service, or service with the Employer as a supervisory employee does not constitute a break in the continuous service and shall not affect an employee's seniority rights.

### 14.10 Seniority Dates

Upon request, the Employer agrees to make available to the Union the seniority dates of any employees covered by this Agreement. Such seniority dates shall be subject to correction for error on proper representation by the Union.

# ARTICLE 15 - JOB POSTINGS AND APPLICATIONS 15.01 Job Postings and Applications

If a vacancy or a new job is created for which Union personnel reasonably might be expected to be recruited, the following shall apply:

- (b) Notwithstanding (a) above, if the vacancy is a temporary one of less than sixty (60) calendar days, the position shall not be posted and instead shall be filled as follows:
  - i) Where practicable by qualified regular employees who have indicated in writing their desire to work in such position consistent with the requirements of Articles 14. If the application of this paragraph requires the employer to pay overtime to the employee pursuant to Article 23, the proposed move shall not be made;
  - ii) By employees registered for casual work in accordance with the casual addendum; and
  - iii) In cases of unanticipated or unplanned temporary absences, such temporary absence may first be filled under (b)(ii) for a period of up to seven (7) days.
- (c) A part-time employee who has accepted a casual assignment which conflicts with a temporary vacancy referred to in paragraph (b)(i) above shall be considered unavailable for such temporary vacancy.

A part-time employee who has accepted a temporary vacancy referred to in paragraph (b)(i) above which conflicts with a casual assignment shall be considered unavailable for such casual assignment.

Where an employee declines an offer to work under (b)(i) the Employer need not offer the work again to that employee under (b)(ii), if they are also registered for casual work.

- (d) By mutual agreement, the parties may vary the job posting process set out in Article 15.01.
- (e) In the posting of a vacancy or a new job, the hours of work, including stop and start times, days off and work area may be subject to change provided that:
  - The change is consistent with operational requirements and the provisions of the Collective Agreement, and is not capricious, arbitrary, discriminatory or in bad faith;
  - ii) The Employer has inquired into, and given prior due consideration to, the importance placed by the affected employee(s) on the existing hours of work, days off and work area; and the impact the change will have on the personal circumstances of such employee(s); and
  - iii) The Employer has given notice of displacement to affected employees.
    - In the application of this paragraph, the burden of proof shall be on the Employer to demonstrate that it has complied with the above requirements.
- (f) The Employer shall also consider applications from those employees, with the required seniority, who are absent from their normal places of employment because of sick leave, annual vacation, unpaid leave, Union leave, compassionate leave or education leave, and who have filled in an application form stating the jobs they would be interested in applying for should a vacancy or new job occur during their absence.
- (g) Where operational requirements make it necessary, the Employer may make temporary appointments pending the posting and consideration of the Union personal pursuant to paragraph (a) to (d) above.
- (h) A copy of all postings shall be sent to the HEU Secretary-Treasurer of the Local within the aforementioned seven (7) calendar days.

- (i) The Employer shall, within three (3) calendar days, inform all applicants of the name of the successful applicant either in writing to each applicant or posting the name of the successful applicant in the same manner in which the vacancy or new job was posted.
- (j) The Employer agrees to supply to the Union the names of all applicants for a vacancy or new position in the course of a grievance investigation.

#### ARTICLE 16 - JOB DESCRIPTIONS

**16.01** The position of each regular employee shall be assigned to an appropriate job description.

**16.02** The Employer shall draw up job descriptions for all positions and classifications for which the Union is the certified bargaining agent. Job descriptions shall contain the job title, name of the department, title of the immediate supervisor, classification and wage level of the job, a summary statement of the job, a list of the duties and the date prepared.

The said job descriptions shall be presented in writing to the Secretary-Business Manager or their designate and Local Chairperson and shall become the recognized job descriptions unless written notice of objection thereto, set out in specific detail, is given by the Union within forty-five (45) days.

- **16.03** Each regular employee shall be provided with a copy of the agreed to job description for <u>their</u> position.
- **16.04** In the case of a newly created job or classification, or where an existing job or classification is changed to the extent that it becomes a new classification, the Employer shall remit such job descriptions and the remuneration proposed, as outlined above.
- **16.05** The parties will meet at Step Three of the grievance procedure to review the job description. If an agreement cannot

be reached the issue/s may be submitted to arbitration. The Board or the sole arbitrator, as the case may be, shall decide on the issues regarding the job description, based on the relationship of the new classification to existing classifications in the bargaining unit.

**16.06** Any decision to adjust the wage rate, either by the parties or the Board, shall be retroactive to the date the complaint was filed.

# ARTICLE 17 - NOTICE OF NEW AND CHANGED POSITIONS 17.01 New Positions

In the event the Employer shall establish any new position, the classification and wage rate for the new position shall be established by the Employer and written notice shall be given to the Union, and unless notice of objection to the classification and wage rate by the Union is given to the Employer within forty-five (45) calendar days after such notice, such classification and wage rate shall be considered to have been agreed. Where the Union objects to the classification and wage rate, it shall provide reasons for the objection in writing. If no agreement can be reached between the Employer and the Union within a further twenty-one (21) days the issue will be put to expedited arbitration in accordance with the provisions of Article 8.08.

If the classification and/or wage established by the Employer for such new position are revised as a result of negotiation or arbitration, then the revised classification and wage rate shall be effective from the date when the new position was established.

### 17.02 Change in Duties

In the event the Employer significantly changes an existing position, the Employer shall give written notice to the Union with respect to changes in job content, and/or required qualifications, along with any change in the job classification and/or wage rate.

If notice of objection is not received from the Union within forty-

five (45) calendar days after such notice, then the classification and wage rate shall be considered to have been agreed. When the Union objects to the classification and wage rate, it shall supply specific reasons for the objection in writing. If no agreement can be reached between the Employer and the Union within a further twenty-one (21) days, the issue will be put to expedited arbitration in accordance with the provisions of Article 8.08.

The purpose of the following provisions is to preserve job security and stabilize employment and to protect as many regular employees as possible from loss of employment.

## 18.02 Definition of Displacement

### 18.04 Bumping

It is agreed that in instances where a job is eliminated, either by automation or change in method of operation, employees affected shall have the right to transfer to a job in line with seniority provided such transfer does not affect a promotion and provided, further, the employee possesses the ability to perform the duties

of the new job. Employees affected by such rearrangement of jobs shall similarly transfer to jobs in line with seniority and ability.

If an employee who transfers to a job under this clause opts out during the qualifying period or successfully posts into another position, then the former employee shall have the right to return to the position, if desired, without posting.

- 6. Casual employees shall accumulate seniority on the basis of the number of hours worked.
- 7. The manner in which casual employees shall be called to work shall be as follows:
  - (1) Casual employees registered for a casual work shall notify the Employer one (1) pay period in advance of the date and times they will be available to work in the upcoming two (2) pay periods (the schedule of pay period dates will be posted in the work site). The Employer shall be obliged to call a casual employee only for those days on which the employee is available.
  - (2) The Employer shall maintain both (a) a master casual seniority list which shall include all casual employees employed by the Employer listed in

- descending order of their seniority; and (b) a classification registry for each job classification in which casual employees may be used. Each classification registry shall list those casual employees who have been qualified to work in that job classification in descending order of hours worked.
- The Employer shall call by telephone only those (3)casual employees who are registered in the classification registry applicable to the work required to be done at a number provided by the employee. The Employer shall commence by calling the most senior employee in the classification registry. Only one call need be made to any one casual employee provided that the telephone shall be permitted to ring a minimum of five (5) times. If the employee does not answer after five (5) rings, then the Employer may call the next person on the list, but only after leaving a message advising the employee of the available shift(s) if the opportunity to do so arises after five (5) rings. The Employer will award the available shift(s) to the employee if the shift(s) is still available if and when they call back to accept them.
- (4) All such calls shall be recorded in a log book maintained for the purpose which shall show the name of the employee called, the time of vacancy, the time that the call was made, the job required to be done, whether the employee accepts or declines the invitation to work or fails to answer the telephone, and the signature of person who made the call. In the event of a dispute the Union shall have reasonable access to the log book and shall be entitled to make copies.
- (5) If the casual employee who is being called fails to answer or declines the invitation to work, the Employer shall then call the next most senior employee registered in that job classification and so on until a casual employee is found who is ready,

willing and able to work.

8. Casual employees shall not be dismissed except for just and proper cause.

However, where a casual employee has not accepted any work for a period longer than three (3) months, the Employer may:

- (1) Send a registered letter to the employee or communicate by any other means (e.g. email), copied to the Union, in which the employee is asked to contact the Employer within a period of seven (7) days to discuss their availability or intention to work.
- (2) If the employee fails to respond within the seven (7) days the employee's casual status/employment will be terminated, and the Union will be copied on same.
- (3) Where the employee does respond and confirm their availability and intention to work, they shall remain on the casual list. However, if they do not accept work during a further three (3) months, their employment will be terminated.
- (4) Casual employees who are unavailable due to disability or other approved leave will not be subject to termination due to such unavailability.
- 9. Casual employees may be laid off from the casual list in the inverse order of their seniority where it becomes necessary to reduce the work force due to economic circumstances. Laid off casual employees shall retain their seniority for one year subject to which they shall be reinstated to the casual list in the order of their seniority when it becomes necessary to expand the work force.
- 10. (1) The master casual employee seniority list and each classification registry shall be revised and updated

every three months as of the last date of the payroll period immediately prior to January 1, April 1, July 1 and October 1 (the "adjustment dates") in each year. The seniority of each casual employee thus determined shall be entered in the classification registry in descending order of the most hours worked to the least. Casual employees hired after an adjustment date shall be added to such classification registry or registries as are applicable in the order that they are hired.

- (2) For purposes of a call-in to do casual work, any time accumulated in a current period shall not be reckoned until the next following adjustment date.
- (3) Within two weeks of each adjustment date the Employer shall send to the Secretary-Business Manager of the Union a revised copy:
  - (a) Of the master casual seniority list; and
  - (b) Of each classification registry maintained by the facility.
- 11. (1) Except for regular employees who transfer to casual status under Section 15, casual employees shall serve a probationary period of four hundred and sixty-eight (468) hours of work. During the said probationary period casual employees may be terminated for unsatisfactory service.
  - (2) A casual employee who has not completed probation under this clause and who successfully bids into a regular position, shall serve a probationary period pursuant to Article 12 of the Collective Agreement.
  - (3) Where a casual employee who has completed probation successfully bids into a regular position, such employee shall not be required to serve another probationary period under Article 12.
- 12. For purposes of relating the seniority of a casual employee

to that of regular employees, the seniority date or initial date of hiring of such employee shall be calculated by:

- Dividing their number of seniority hours by a factor of 7.5 which shall be deemed to be the number of days worked;
- (2) Taking the number of days worked derived under subsection (1) herein multiplied by a factor of 1.4 rounded off to the nearest whole number which shall be deemed to be the number of calendar days of employment. The seniority date shall then be calculated by backdating from the applicable date the number of calendar days thus determined.
- 13. Casual employees shall receive <u>11.2%</u> of their straighttime pay in lieu of scheduled vacations and statutory holidays.
- 14. Health and Welfare Coverage:

All casual employees who have completed 172.8 hours with the Employer may elect to enroll in the following benefit plans - medical services plan, dental plan, and extended health plan if the employee pays the full monthly premiums in advance to the Employer.

An employee making such an election under this provision must enroll in each and every one of the benefit plans and shall not be entitled to except any of them. Where a casual employee subsequently elects to withdraw from the benefit plans, they must withdraw from all three plans. Casual employees failing to maintain the required payments, shall have the benefit plans terminated. Those employees who voluntarily terminate, or are terminated from the plans by the Employer, will not be entitled to re-enroll.

15. A regular employee who is laid off shall be entitled as of right to transfer to casual status. Other regular employees

may transfer to casual status provided that the Employer requires additional casual employees. Upon transfer such employees shall be entitled only to such benefits as are available to casual employees. Such employees shall maintain all accumulated seniority and benefits to the date of the transfer converted to hours on the following formula:

- (1) To determine the number of days worked, take the number of calendar days between the employee's seniority date and the date of transfer multiplied by a factor of 0.714; and then
- (2) To determine the number of seniority hours, multiply the result obtained under subparagraph (1) by a factor of 7.5.
- 16. (a) Regular part-time employees may register for casual work under this Addendum except that Sections 11, 12, 13 and 14 shall not apply. All time worked shall be credited to the employee under the provisions of the Addendum, Part-Time Employees.
  - (b) All benefits accumulated under the provisions of the Addendum - Part-Time Employees shall be applied to casual work.
- 17. Casual employees shall move to the increment step indicated by accumulated hours of service with the Employer.

#### **APPENDIX A**

#### Re: Long-term disability plan

In the event of any discrepancy between this document and the Empire Life Group Policy Contract, the terms, provisions, and conditions of the Empire Life Group Policy Apply.

#### Section 1 – Eligibility

Regular full-time and regular part-time employees regularly scheduled to work a minimum of 20 hours per week for at least eight weeks in each calendar year quarter shall, upon completion of the three (3) month probationary period, become members of the Long-Term Disability Plan as a condition of employment.

Seniority accumulation and benefit entitlement for employees on long term disability shall be consistent with the following provisions:

- Any employee granted unpaid leave of absence totalling up to twenty (20) working days in any year shall continue to accumulate seniority and all benefits.
- ii) If an unpaid leave of absence or an accumulation of unpaid leaves of absence exceeds twenty (20) working days in any year, the employee shall not accumulate benefits from the twenty-first (21st) day of the unpaid leave to the last day of the unpaid leave, but shall accumulate benefits and receive credit for previously earned benefits and seniority upon expiration of the unpaid leave.
- iii) Employees on long term disability shall be considered employees for the purpose of Pension Plan.
- iv) Employees on long term disability shall have their Group Life Insurance Premiums waived, and coverage under the Group Term Life Insurance Plan shall be continued for an amount not to exceed the amount of life insurance for the employee on the last day they were actively at work.

Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in their former job; an employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising their seniority rights if necessary pursuant to Article 13.

Employees on long-term disability who have exhausted all sick leave credits and in addition have been granted twenty (20) work days unpaid leave, shall be covered by the Medical, Extended Health care, and Dental Plans provided they pay for such coverage in advance on a monthly basis. The premiums for these benefits will be paid by the Employer.

### Section 2 – Waiting Period and Benefits

In the event an employee, while enrolled in this Plan, becomes totally disabled as a result of an accident or an illness then, after the employee has been totally disabled for 119 days, the employee shall receive a benefit equal to sixty-six-point-sixty-seven percent (66.67%) of monthly earnings, to a maximum of four-thousand-five-hundred dollars (\$4,500) per month, in accordance with the Plan which shall be filed with the Union.

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee's average monthly hours of work for the twelve (12) month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by their hourly pay rate as at the date of disability.

The long-term disability benefit payment shall be made so long as an employee remains totally disabled for up to five years and shall cease on the date of the employee reaches age sixty-five (65), recovers, or dies, whichever occurs first, or as of the date of failure to provide requested written proof, satisfactory to the Company, of their continuous total disability.

#### Section 3 - Total Disability Defined

Total disability, as used in this Plan, means during the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in their normal occupation and after the first (1st) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in any occupation or employment for wages, compensation or profit, for which they are reasonably qualified by education, training, or experience, or may reasonably become so qualified, subject always to the terms of the provision LIMITATIONS AND EXCLUSIONS.

For disabilities whose onset occurs on or after the first (1st) day of the calendar month following thirty (30) days after the date of ratification of the renewed Collective Agreement:

Total disability, as used in this Plan, means during the first (1<sup>st</sup>) twenty-four (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in their normal occupation. After the first (1<sup>st</sup>) twenty-for (24) months of a benefit payment period, the employee's complete inability, as a result of bodily sickness or injury, to engage in any occupation or employment.

Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses.

During a period of total disability, an employee must be under the regular and personal care of a legally qualified doctor of medicine.

After twenty-four (24) months of disability, an employee who is able by reason of education, training, or experience, to perform the duties of any gainful occupation, shall no longer be considered totally disabled and, therefore, shall not continue to be eligible for benefits under this Long-Term Disability Plan.

If an employee who is receiving this Long-Term Salary Continuance benefit enters into a rehabilitation program, benefits may, at the discretion of the Company, be continued for up to twenty-four (24) months. However, the monthly benefit payable to the employee during the rehabilitation program will be the amount of benefit calculated in accordance with the terms of this policy less twenty-five percent (25%) of the total amount of any wages, compensation, or profit earned by the employee during the rehabilitation program. In the event that income from rehabilitative employment and the benefit paid under this Plan shall exceed eighty percent (80%) of the employee's earnings at date of disability, the benefit from this Plan shall be further reduced by the excess amount.

"Rehabilitative employment" shall mean any occupation or employment for wage or profit, or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the underwriter of the Plan.

The rehabilitation calculation reduces the Long-Term Disability benefits by 50% of the earned income during a gradual return to work, up to a maximum of 100% of the pre-disability earnings.

The rehabilitative employment of a disabled employee shall continue until such time as the employee's earnings from rehabilitative employment exceed eighty percent (80%) of the employee's earnings at the date of disability.

If the earnings are received by an employee during a period of total disability and, if such earnings are derived from employment which has not been approved as rehabilitative employment, then the regular monthly benefit from the Plan shall be reduced by one-hundred percent (100%) of such earnings.

# Section 4 – Exclusions and Limitations *Exclusions*

No benefit shall be payable, in accordance with the terms of this

policy, for any disability which is caused by or results from:

- Intentionally self-inflicted bodily injury or sickness, while sane or insane;
- Rebellion or insurrection, war, whether war has been declared or not, or by full or part-time service in any Armed Forces; and
- Flying or air travel, except when flying or travelling as a passenger in an aircraft for which a certificate of airworthiness has been issued by the appropriate government authority.
- A criminal offense.

#### Limitations

An employee, physically able to engage in an occupation or employment, shall not be deemed to be totally disabled if <u>they are</u> prevented from engaging in that occupation or employment by any disqualification of employment practice, even though such disqualification may arise from or be related to bodily injury or sickness for which <u>they have</u> received benefits provided by this policy.

In no event shall absence outside the territorial limits of Canada or the United States in North America be considered as part of disability period unless approved by the Company in writing prior to the beginning of such absence.

### Section 5 - Integration with Other Disability Income

The amount of benefit payable to an employee shall be the amount for which <u>they are</u> insured on the date of commencement of <u>their</u> total disability, subject to any provision for the reduction or termination of insurance contained in this policy on such date and shall include entitlement to indexing as per Section 2.

However, if during a disability period, the employee is entitled to receive income from any of the following sources:

- i) Workers' Compensation Act, or similar law;
- ii) Department of Veterans' Affairs
- iii) Retirement or Pension Plan with any Employer;

- iv) Any disability provision or any group insurance policy; and
- v) Any law providing disability or retirement benefits enacted by any government, including the Employee Benefit of the Canada Pension Plan and the Quebec Pension Plan.

For the purposes of the disability benefit adjudication, CPP is a primary offset. Other income is calculated in the 85% all source maximum (considered in-direct offsets). For WorkSafe BC Benefits, annual increases are taken into account.

The amount of benefit shall be reduced by the amount of such income, excluding any portion the employee was receiving prior to commencement of disability, regardless of whether the employee has actually applied for and received such income.

However, no reduction in the amount of monthly benefit payable to the employee during the same period of disability will be made on account of increases in the amount of their income from the above sources.

#### Section 6 - Successive Disabilities

Successive disability period means a disability period which begins within one-hundred-and-eighty (180) days after the termination of a prior disability period.

Until the employee has resumed their previous occupation on a full-time basis sufficiently recovered to prevent relapse, any period of total disability arising from the same cause or causes as a previous period of total disability will be considered a continuation of the previous period of total disability. In no event, however, will periods of total disability separated by one-hundred-and-eighty (180) days or more of regular employment be considered as one (1) period of total disability.

For each initial disability period, payment of benefits will commence following expiration of the qualification period of one-hundred-and-eighty (180) days. For each successive disability period, payment of benefits will commence following expiration of:

- The qualification period less the total number of days absent due to the same cause or causes during the last preceding disability period and all intervening successive disability periods, or
- ii) Thirty (30) days, whichever is greater.

#### Section 7 - Expiration of Sick Leave

Employees who will be eligible for benefits under the Long-Term Disability Plan shall not have their employment terminated. Following expiration of their sick leave credits, they shall be placed on unpaid leave of absence until receipt of long-term disability benefits.

Upon return to work following recovery, an employee who was on long-term disability shall, return to their former job, exercising their seniority rights if necessary, pursuant to Article 18.04, of the Collective Agreement.

### Section 8 - Benefits Upon Plan Termination

In the event this Long-Term Disability Plan is terminated, the benefit payments shall continue to be paid, in accordance with the provision of this Plan, to disabled employees who became disabled while covered by this Plan prior to its termination.

#### Section 9 - Premiums

The cost of this Plan shall be borne by the Employer. Payment of premiums shall cease on termination of employment, or six (6) months prior to an employee's sixty-fifth (65<sup>th</sup>) birthday, whichever occurs first.

#### Section 10 - Claims

Written notice of a claim for long term salary continuance benefits must be sent to the Company by the participating Employer on the form provided by the Company for that purpose and received by the Company not later than thirty (30) days after the expiration of the qualification period. Initial proof of total disability, obtained at the employee's expense, must be sent to the Company on the form provided by the Company for that purpose and received by

the Company not later than thirty (30) days after the expiration of the qualification period.

Failure by the participating Employer to provide written notice of claim within the time limit specified above shall neither invalidate nor reduce any claim if it is shown that the employee has advised their Employer of intention to claim within the time limit specified above.

Failure by the employee to provide written proof of claim as required above shall not invalidate a claim if notice is given to the Company within the time limit specified above, showing that it was not reasonably possible to obtain such proof.

In the event an employee disputes the decision of the claims paying agent, regarding a claim for benefits under this Plan, the employee may request that the claim be re-examined by the claims paying agent. If the employee continues to dispute the decision, the employee may request to have the claim reviewed by a claims review committee comprised of three independent and qualified medical doctors agreed between the Employer and the Union. Full disclosure of all documents pertaining to the claim shall be provided to the Employee and the Union. Union involvement in claims dispute subject privacy to regulation/disclosure authorization.

#### **Section 11 – Administration**

The Employer shall administer the Plan. Upon request, the Union shall be provided access to any reports provided by the claims-paying agent regarding experience information. All questions arising as to the interpretation of the Plan shall be subject to the grievance and arbitration procedures of the Collective Agreement. Union involvement in claims dispute subject to privacy regulation/disclosure authorization.
