Secretary-Treasurers

Dear Union family:

Subject: 2025 Getting Involved Workshops (online and in-person)

HEU members are at the center of our union. Together, we are continuously working to build a stronger and more diverse union where members feel confident and ready to fight for improved wages and working conditions, safer workplaces, and social justice in our communities.

To encourage and support member activism in the union, HEU is offering a one-day workshop – Getting Involved. The course is meant for members who want to get active in the union or union-supported campaigns.

In the Getting Involved workshop, members will:

- Deepen their understanding of how workers' rights are won and how we fight for and protect those rights.
- Explore how activists' interests, strengths and passions create pathways to getting involved in the union and social justice movements.
- Learn about HEU's structure and how to be more actively involved.
- Increase their awareness of HEU's history as a fighting union.

Please select the workshop closest to the region where you live. The workshop schedule is listed by region:
