Dear Sister, Brothers, and Friends

Subject: Women in Leadership Workshop – In-person - March 6, 2025

“Women in Leadership” is a one-day workshop designed to recognize the leadership of women in the labour movement, celebrate the progress made toward achieving gender equity and reflect on the struggles that continue. This year, the workshop will be offered in-person, at Provincial Office in Burnaby.

All two-spirit, women and non-binary members are invited to attend the session. As space is limited, there may be a selection process depending on the number of applications received. All successful applicants will have wates and travel expenses paid by the union, as detailed by HEU policy.

The “Women in Leadership” workshop is an opportunity for those attending to:

- Reflect on and celebrate the progress made by women and those impacted by gender oppression towards achieving equity and justice.
- Learn about relationships between gender, race, class and disability and how to apply an intersectional approach to continue the work for justice and equity for all.
